

DESIGNHELP FORM

If you are unable to make certain adjustments to your files, we can help you with this.

1. INSIDE PAGES

Elements to choose

- Headers and footers
- Inserting tabs
- Making a titelpage and insert this
- Insert page numbers
- Adding bleed
- Turning pages
- Scaling file
- Convert the text to 100% black
- Insert or delete pages
- Add cutting marks

How this must look like:

(Send us a photo if you have an example)

Extra options

- Turning lying tables into a standing one or copy a table.

I want tables to be turned.

I want tables to be copied.

2. PROPOSITIONS

Elements to choose

- Scaling file
- Convert the text to 100% black
- Add cutting marks

3. COVER & INVITATION

Elements to choose

- Add cutting marks

For each layout element we charge € 75,- per set of files (and only refers to one set of files, given a new set of files means that this element needs to be inserted again). We need two working days to make the adjustments of the layout elements in your files.
