

ISBN REQUEST

To request for an ISBN we would like to ask you to fill in the information below and send this to us. Please be aware that applying for an ISBN can be done best when the definite number of pages is known and will not change anymore, because it is not possible to adjust this afterwards once the ISBN is already applied for. Applying for an ISBN can be done relatively fast, therefore we recommend to transmit this form on the day before placing the order for the test book.

Surname:

Initials:

Title (of thesis):

Subtitle (optional):

NUR-code*:

Amount of pages:

Illustrations (excluding tables and graphs):

Language:

Promotion date:

* [Click here for the list of the NUR codes](#) (which is unfortunately only available in Dutch)

Theses are always under the main category NON-FICTION FOR INFORMATION / PROFESSIONAL, with the number series 600 t/ m 997. Unfortunately we can't advise you in determining which NUR-code applies for your thesis. We recommend that you ask this to fellow PhD students.

To apply for an ISBN number, we will charge € 75, - extra. When you enter this information and return to us, you automatically agree that we will charge you for this extra cost, unless there has already been made an agreement with you about these costs earlier.

After sending the information you will receive the ISBN number. It is your own responsibility to make sure the ISBN number is inserted into your thesis.

**Thank you for filling in the form! Email this form to request the ISBN number to:
